☐ Continuation Sheet Attached

Brief Description of Argument to be Presented:

Proposed amendment for Claim 1, subclause 3: using a switch to stitch the first connection and the second connection to redirect the information

between the external application and the core VM, wherein the switch transfers data via a portion of the first connection and a portion of the second

connection, thereby bypassing the shell VM;

An interview was conducted on the above-identified application on _____.

NOTE: This form should be completed by applicant and submitted to the examiner in advance of the interview (see MPEP § 713.01).

This application will not be delayed from issue because of applicant's failure to submit a written record of this interview. Therefore, applicant is advised to file a statement of the substance of this interview (37 CFR 1.133(b)) as soon as possible.
